

Statement from Amy Butzki - Resident Liaison Officer at Carrington Point

Dear Residents and Leaseholders,

Welcome to the latest news and updates for Carrington Point. Please find below the latest updates regarding the reinstatement works and onsite activities scheduled for the week ending **Friday, 19th September 2025**. This section will provide regular progress reports, keeping you informed of the works taking place across all blocks, as well as any important notices that may affect residents during the construction period. Our aim is to ensure transparency, maintain open communication, and keep everyone updated on the ongoing improvements to the building.

News and Updates

Health & Safety

All required health and safety documentation for the site has been completed and formally issued. This ensures that all current activities are being carried out in compliance with safety regulations and that the site remains a secure environment for both workers and visitors.

Design

Design development is scheduled to begin following the erection of scaffolding to Phase 1. This milestone will enable the design team to carry out necessary inspections and measurements, allowing for accurate detailing and progression of the next stage of the project.

Procurement

Site cabins have now been successfully delivered and positioned. Installation of site signage is currently underway to ensure clear navigation and safety messaging throughout the premises. Additionally, welfare cabin connections have been completed, providing essential facilities for site operatives and supporting day-to-day operations.

Production

The overall construction programme has been issued and is now guiding site activities. Scaffolding to Phase 1 is scheduled to commence on 22nd September 2025, marking a key step in enabling further works. QR codes have also been distributed around the buildings to improve communication with residents, offering easy access to updates and relevant site information.
