

## Window Survey

Window Surveys are still taking place. If you haven't contacted me to date, please feel free to ring, text or email me on:

**Steven Green** Tel No: **07903873908** Email: [sgreen@starfishltd.com](mailto:sgreen@starfishltd.com)

To accommodate anyone who is not available during weekdays we are offering appointments on

**Saturday 17th May 2025 between 9am - 12 noon**

As the Survey only takes between 5 and 10 mins, I can often attend when you call if that will be more convenient for you.

There are still appointments available during next week.

## Site Information

The Mast Climbers and hoists are now completed and works will commence on Monday 12th May, on Southey Court and Castleton, with several more contractors present on site.

The mast climbers and hoist will be in operation each day between 8.30am and 4.30pm and this will result in raised noise levels and dust.

**We suggest that windows be kept closed to reduce the effect of this.**

We do appreciate the external disruptions will increase and may be inconvenient during this time and as always we will endeavour to keep any disruption to a minimum. Thank you in advance for your understanding and cooperation.

Many thanks for your cooperation in keeping the site entrance clear of parked vehicles and we will still require full access during Site Hours **07.30am - 4.30pm**.

**Kind Regards,**

Steven Green

**Resident Liaison Officer**
