Site Information

During the week commencing Monday 18th May concrete bases will be constructed for the Mast Climbers outside Southey Court and Castleton.

There will also be abseilers on site during the week on both Southey Court and Castleton and there is no cause for alarm.

A power source will be fitted for the extra Mast Climbers that will be installed around Southey Court.

Unfortunately the car park at Southey Court was closed down with immediate effect mid week as an extra protective precaution from falling debris.

Extra metal guards are being fitted to the Mast Climbers to help reduce the waste falling during the removal process.

We will endeavour to keep any disruption to a minimum and I would like to thank you in advance for your cooperation

Kind Regards,

Steven Green
