Site Information

During the week commencing Tuesday 26th May further Mast Climbers will be installed to the sides and rear aspect of both Castleton and Southey Court.

The abseilers will continue their work on Southey Court and Castleton throughout the week and works will continue removing the insulation.

Unfortunately the car park at Southey Court will remain closed as an extra protective precaution from falling debris.

Extra metal guards have been fitted to the Mast Climbers to help reduce the waste falling during the removal process.

We will endeavour to keep any disruption to a minimum and I would like to thank you in advance for your cooperation

Kind Regards,

Steven Green
