

## Window Survey

Window Surveys are still taking place. If you haven't contacted me to date, please feel free to ring, text or email me on:

**Steven Green** Tel No: **07903873908** Email: [sgreen@starfishltd.com](mailto:sgreen@starfishltd.com)

As the Survey only takes between 5 and 10 mins, I can often attend when you call if that will be more convenient for you.

There are still appointments available for next week.

To arrange an appointment please ring, text or email me on the contact details below.

I will be more than happy to arrange an appointment on a day and time that is convenient for you.

## Site Information

The Mast Climber is in the process of being erected and the hoist is expected to be in situ by the end of this coming week on both Castleton and Southey Court.

The power source has been successfully connected as planned.

We do appreciate there are external disruptions during this preparation period which will temporarily create some inconvenience, however, it will be extremely helpful if, for the time being, everyone could refrain from parking in front of the Compound's Main Gates. Access is required during Site Hours **07.30am - 4.30pm** and there will be deliveries of skips and further equipment being made over the coming week.

Where the hoist and Mast Climber is in place by your windows can you please refrain for opening your windows as a safety precaution. Letters will be delivered to all properties next week providing full details.

As always we will endeavour to keep any disruption to a minimum and I would like to thank you in advance for your cooperation

**Kind Regards,**

Steven Green

**Resident Liaison Officer**

Should you have any questions about the works, please don't hesitate to contact Steven Green - Resident Liaison Officer via email at [sgreen@starfishltd.com](mailto:sgreen@starfishltd.com) or via telephone on **07903870908**
