Site Information

On Monday 2nd June work will commence on Fitzgerald Court. The existing scaffolding will be re-positioned and extra scaffolding will also be erected. The Mast Climbers and Abseiling equipment will also be installed around the exterior of the building.

Due to the nature of the work and to maintain the highest Health and Safety procedures it will be necessary to close the front car park outside Fitzgerald Court. The car park will remain closed for the duration of the works.

We apologise for any inconvenience this may cause but all vehicles will need to be removed from the car park by 7.00am on Monday 2nd June.

Works will continue on both Southey Court and Castleton to the sides and rear of the building. It is important, again for Health and Safety issues that everyone refrains from using the rear doors between the hours of 8.30am and 5.00pm while the temporary works are being carried out. In the case of a Fire, please push the plastic barriers and exit through the Rear and Front doors.

The extra metal guards have now been fitted to help reduce any waste from falling, however, unfortunately, the car park at Southey Court will remain closed as an extra protective precaution from falling debris.

We will endeavour to keep any disruption to a minimum and I would like to thank you in advance for your cooperation

Kind Regards,

Steven Green

Resident Liaison Officer

Should you have any questions about the works, please don't hesitate to contact Steven Green - Resident Liaison Officer
