

## Window Survey

At the beginning of this week, I sent reminder letters about the ongoing Window Surveys.

I would like to thank you for the steady response I have received. Although some still need to be arranged, we are pleased with the response.

As the Survey only takes 5 to 10 minutes, I can often attend when you call if that is more convenient for you.

There are still appointments available for next week. To arrange an appointment, please call, text, or email me using the contact details below.

I'm more than happy to arrange an appointment on a day and time that is convenient for you.

## Site Information

The scaffolding has been erected at Southey Court and work is now taking place at Castleton.

This will continue into next week.

The scaffolding is required for the Mast Climbers to work from while removing the external insulation.

The equipment for the Mast Climbers is due to be delivered to the Site between Monday, 14th April and Wednesday, 16th April.

This is in preparation for the Mast Climbers to commence on Tuesday, 22nd April at present.

We will endeavour to keep any disruption to a minimum, and I would like to thank you in advance for your cooperation

**Kind Regards,**

Steven Green

**Resident Liaison Officer**
