

Window Survey

From Monday, 24th March, letters will be delivered to all properties, starting with Southey Court and moving on to Castleton Court and Fitzgerald Court.

The letters will advise that a **window survey** needs to be conducted on all windows and that access to each property will be required. The survey takes approximately 10 minutes.

The survey will provide the information necessary before the external works commence.
Contact details in the letter will enable residents to book a specific appointment.

From Wednesday, the 26th, the Welfare Units, etc, will be delivered to the fenced-off compound area to the left of Castleton and put in situ.

Many thanks in advance for your help.

Kind Regards,

Steven Green

Resident Liaison Officer
