

Statement from Kevin Dickson - Resident Liaison Officer at Mealmarket Street Aberdeen

Dear Residents and Leaseholders,

Welcome to the latest news and updates for Mealmarket Street. Please find below the latest updates regarding the works and onsite activities scheduled for week commencing **Monday the 13th of October 2025**. This section will provide regular progress reports, keeping you informed of the works taking place across all blocks, as well as any important notices that may affect residents during the construction period. Our aim is to ensure transparency, maintain open communication, and keep everyone updated on the ongoing improvements to the building

News and Update

As of this week, The Welfare Set up is now on site in the rear car park.

Scaffold works commences on Monday the 13th of October 2025 on phase 1. (highlighted in red)

Bin store removal and relocation of bins due to the scaffolding location will be w/c 13th and these will be moved next to the existing bins at the top of the car park.

If anyone requires privacy protection for their bedroom window, please get in touch with me or the site team and we will arrange for this to happen.

Scope of Works

Façade Remediation including:

- Set up site (including welfare area)
- Install Barriers and Fencing
- Install Scaffold access and working platforms
- Install access hoists
- Removal and replacement of blockwork and render
- Removal and replacement of brickwork
- Removal and replacement of cladding
- Installing Cavity barriers and non-combustible materials
- Structural works
- Render Decoration
- Demobilise site

Project Timeline and Location

- **Start Date:** 06/10/2025
- **Duration:** 42 weeks
- **Working Hours:** Monday to Thursday, 8:00 AM – 5:00 PM & 8am - 4pm Friday
- **Location:** Mealmarket Street

Expected Disruptions

As a resident, you may notice the following during the works:

- **Increased noise** from machinery, drilling, and the removal of external façade materials.
- **Temporary road or footpath closures** around or near the buildings.
- **Delivery vehicles** entering and exiting the site during working hours.
- **Dust and debris control measures** are in place, although minor air disturbances may still occur occasionally.
- **Reduced parking** near the site compound to allow safe access and material storage.

We will continue to keep you updated each week as the project progresses.
