News & Updates

Weekly Site Progress Update

The team has continued to make strong, coordinated progress across all towers this week, with several elevations advancing through key stages of the façade removal and rebuild process. Works are moving steadily and safely, and your continued patience is helping us maintain this positive momentum on site.

Upcoming Works Week Commence 23.02.2026 Looking ahead into the week, the team will be progressing with the following activities:

- **Elevation A – Towers 1 & 2** Progress continues on Elevation A, where the team is advancing with the installation of brackets and rails. These works are ongoing and form the foundation for the next stages of the facade build-up.
- **Elevation C – Towers 1, 2 & 3** Fire barrier installation is progressing in conjunction with insulation works on Elevation C. This coordinated sequence ensures the facade build-up continues efficiently and in line with safety requirements.
- **Elevation D – Towers 1, 2, 3 & 4** Similar coordinated activity is underway on Elevation D, with fire barriers being installed ahead of insulation works. This structured approach maintains consistency across all towers on this elevation.
