

Statement from Amy Butzki - Resident Liaison Officer at St George's

Dear Residents and Leaseholders,

Welcome to the latest news and updates for St George's. Please find below the latest updates regarding the reinstatement works and onsite activities scheduled for the week ending **Friday, 7th November 2025**. This section will provide regular progress reports, keeping you informed of the works taking place across all blocks, as well as any important notices that may affect residents during the construction period. Our aim is to ensure transparency, maintain open communication, and keep everyone updated on the ongoing improvements to the building.

News and Updates

Dear Residents and Leaseholders,

We would like to apologize for the lack of activity onsite over the last few weeks, the reason for this is because once we removed the existing cladding system we have come across a few anomalies that have affected the proposed design to such a degree where we have had to put together some additional design & extra funding had to be agreed with Homes England.

Following a meeting with the Client/Client Administrator on the 6th of November, Starfish has been informed that Homes England have granted permission to proceed, the Client Administrator Earl Kendrick is looking to officially instruct Starfish imminently to proceed with the works.

Starfish will issue some key target dates for project completion by 14th November.

As part of our commitment to keeping you informed, please find below the latest update for St George's. These weekly reports will continue to provide regular updates on site activities, planned works, and any relevant notices.

If you have any questions or concerns regarding the ongoing works, please don't hesitate to contact your Resident Liaison Officer, **Amy Butzki** using the details provided below. Your continued cooperation and support are greatly appreciated as we work to deliver these improvements safely and efficiently.
