Works planned for W/C 15.09.25.

- Phase 1 & 2 – Continue & complete all levelling coat works to blockwork..
- Phase 1 – Commence install of the SFS metal framing.
- Take further material deliveries

I would also like to inform everyone that we have a Resident Liaison Officer that will be your first point of contact should you have any queries or require any additional information, contact details for Amy Butski abutzki@starfishltd.com, Contact Number is 07539011441.

We have also had a change to our Site Management team, Bill Canavan will no longer be overseeing the day to day works on the project, Bill's replacement will be Andy Brown.

Should you have any questions about the works, please don't hesitate to contact Andrew Brown - Site Manager via email on abrown@starfishconstruction.com

Contact details for Andy are noted below:

- abrown@starfishconstruction.com

Going forward all project updates will come from Amy with assistance from Andy.

If you have any queries, please do not hesitate to get in touch.

Kind Regards,

Robert Morgan

Director of Projects

Midlands, London & South
